1992 EDITION

FOREWORD

The Air Force FAR Supplement (AFFARS) to the Federal Acquisition Regulation (FAR) and Defense FAR Supplement (DFARS) is issued under statutory authorities of the Secretary of Defense and by Order of the Secretary of the Air Force. This edition of the AFFARS replaces the AFFARS dated October 1, 1988.

The AFFARS contains material that implements the FAR and DFARS by providing Air Force specific guidance, delegations, authorities, assignments of responsibilities, internal workflow procedures, and reporting requirements. This AFFARS applies to all acquisitions made by Air Force activities with appropriated funds. This Supplement is not a stand alone document and must be read in conjunction with the FAR and DFARS. This edition of the AFFARS has been renumbered to match the numbering system in the Code of Federal Regulations. A discussion of numbering can be found at DFARS 201.303 and AFFARS 5301.501-90.

Requests for copies of the AFFARS should be made through normal Departmental distribution sources or from the National Technical Information Service, 5285 Port Royal Road, Springfield, VA 22161, (703) 487-4684.
